Students are required to be in their assigned program, classes or activities at all times during the school day. School administration, however, may allow junior and senior students who have demonstrated a high level of maturity and personal responsibility to leave school premises for one study hall period, Jr/Sr Lunch, and/or their scheduled eAchieve hour. In addition, students must be on track to graduate with their class, and have a signed parent permission slip (this form) returned and processed by the Guidance Office. Release privilege may be reviewed at any time by administration.
